

For a glamorous Betty Draper curl.

### 3. PARLUX 3800 ECO FRIENDLY IONIC & CERAMIC EDITION DRYER \$189.95 (1800 251 215)

Forking out on a high-end hairdryer will be worth it. "You can't go past one of these. It's compact, ionic and has a built-in silencer for less noise. Survival rate is years in-salon, so imagine how long they last at home!"

### 4. DENMAN CLASSIC STYLING BRUSH \$19.95 (www.hairhousewarehouse.com.au)

First patented in 1938, this cult brush has earned a reputation within the industry as the blowdry's "best friend". "The bristles are gentle and well made, so one will last you forever."

### 5. SEBASTIAN PROFESSIONAL POTION 9 WEARABLE TREATMENT STYLER \$48.50 (1300 728 333)

A soft, strengthening treatment that doubles as a styler. "One of my favourite leave-in conditioners. So good for curly hair, protein-enriched and gives incredible shine."

## TOP DRAWER

### 6. LADY JAYNE LARGE SLIDE COMBS \$3.89 for 2, bobby pins, \$7.39 for 100 (1800 651 146)

Always keep a collection of pins, clips and combs on hand for fast, effortless styling. "I love slide combs for fun, retro styling and for adding volume."

### 7. SUKIN PROTEIN SHAMPOO AND CONDITIONER \$7.95 each (1300 858 898)

A protein-rich organic shampoo

strengthens and revives the life of damaged hair, naturally. "They also make hair incredibly soft and shiny."

### 8. CEDEL EXTRA FIRM HAIRSPRAY \$3.99 (www.cedel.com.au)

For slicked or tricky up-styles, a concrete hairspray is Tool 101. "This spray's hardcore hold factor can create super-huge volume."

### 9. LEE STAFFORD DRY SHAMPOO DARK \$13.95 (1300 134 700)

Brunettes, avoid a Lagerfeld dusting and go for dark-coloured dry shampoo.

"Everyone should own dry shampoo. Use sparingly and don't spray too close to the head." That's her secret.

### 10. PRICELINE VELCRO ROLLER SET \$7.99 (1300 884 411)

Velcro rollers are an easy way to build up flat hair. "Excellent for every day, especially in a rough blowdry. Add some volume to the crown by popping in a couple of rollers, blasting with a hairdryer and allowing to cool." ■
